

WITESOL Writing and Art Contest

2018 - 2019 Theme: Beautiful Wisconsin

Wisconsin English learners of all levels and ages can explore this theme with an essay, a poem or art. Creations can be about anything students find beautiful in Wisconsin. Students might write or create art about a special animal, wildflower, plant or tree native to Wisconsin. Students might want to feature lakes or parks they have visited in Wisconsin. There are many possibilities with this theme!

WITESOL will be accepting submissions from December 15, 2018 until February 10, 2019. Any Wisconsin teacher who is a WITESOL member can enter up to 3 entries per category and age group. Student work from the 2018 - 2019 school year is eligible.

New This Year:

Contest Tool Kit for teachers (view the tool kit at witesol.com)
Participation Certificates for all students who participate
Certificates from the WITESOL President for all participating teachers

For more information and to see winning entries from last year's contest, please visit our website at <http://witesol.com/contests-and-awards/contests/>

Any WITESOL member interested in judging or helping with the committee can contact Brianna Deering at deeringb@uww.edu.
